The screenshot shows the Biferdil checkout process. On the left, there's a section for 'Envío' (Delivery) with two options: 'Entrega a domicilio' (Delivery to address) and 'Retirar en Tienda' (Pick up in store). The store address is Loyola 722/724, CABA. To the right, a product item 'CAÍDA X 300 ml.' is listed with a quantity of X1 and a price of \$1 423,00, totaling \$1 138,40. Below the delivery options, there are fields for 'Dirección *' (Address), 'Dirección opcional' (Optional address), 'Cod. Postal *' (Postal code), 'Ciudad *' (City), 'País *' (Country), 'Argentina', 'Provincia *' (Province), and a dropdown menu. A checkbox labeled 'Dirección de facturación diferente' (Different billing address) is checked. On the right, there's a section for discounts with a checked checkbox 'Tengo un código de descuento' (I have a discount code). The total amount shown is \$5 033,60.

This screenshot continues the Biferdil checkout process. It shows the 'Método de envío' (Delivery method) step, which has a note 'Ingresa una dirección de envío.' (Enter a delivery address). Below it, there's a section for 'Pago' (Payment) where 'Mercado Pago' is selected. A checkbox for accepting terms and conditions is checked, and a 'PAGAR AHORA' (Pay now) button is visible. To the right, the same product details and discount section are shown, with the total amount still at \$5 033,60.
